

**VISIONTEX®**  
SHADE WITHOUT BOUNDARIES

# Product Brochure

# Insist on the best – insist on **VISIONTEX®**

VISIONTEX® is a market leading premium quality woven mesh, utilising the latest in heavy gauge polymer coated polyester technology. VISIONTEX® is made to HVG's exacting standards and is designed to give you peace of mind for years of outdoor performance with a 10-year warranty\*.

## Control your **environment**

VISIONTEX® is an ideal solution.

-  **VISIBILITY**  
(Looking out)
-  **PRIVACY**  
(Looking in)
-  **LIGHT TRANSMISSION**
-  **HEAT RETENTION**
-  **GLARE CONTROL**
-  **WEATHER PROTECTION**  
(Wind/Rain)
-  **UV-R BLOCK**
-  **VENTILATION**
-  **LARGE SPAN APPLICATIONS**

## **Safeguarding** your health

Greenguard Gold Certification standard is designed to define low-emitting materials suitable for environments where people, particularly children and sensitive adults, spend extended periods of time, in particular schools and healthcare facilities.

**LOW CHEMICAL EMISSIONS**  
Made of materials with low chemical emissions

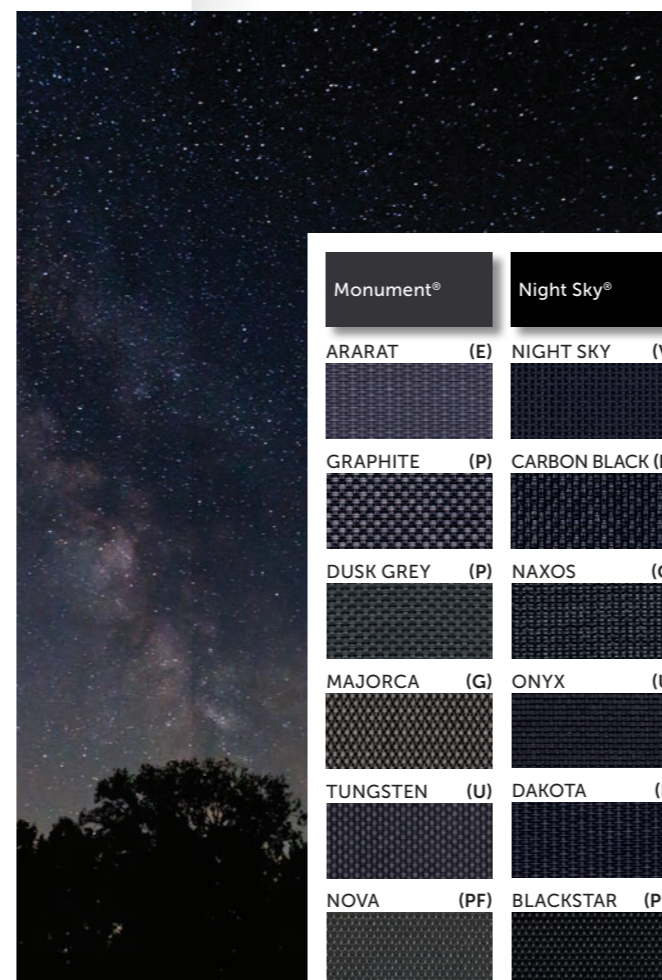

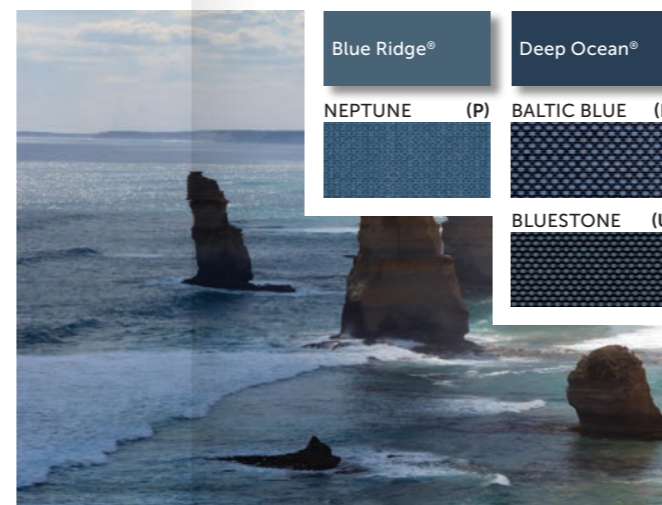

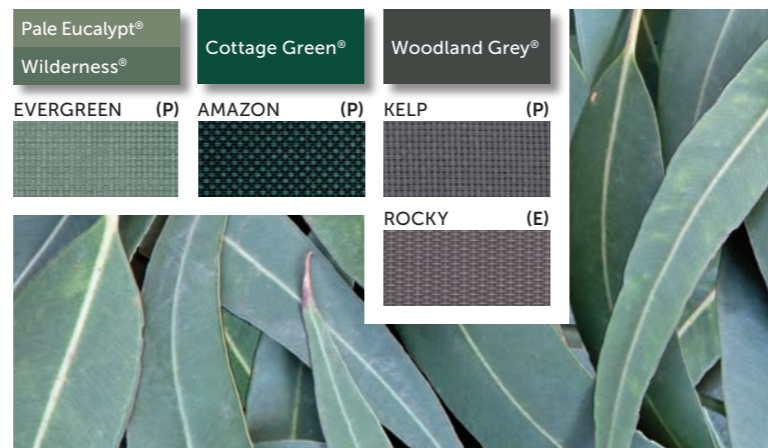

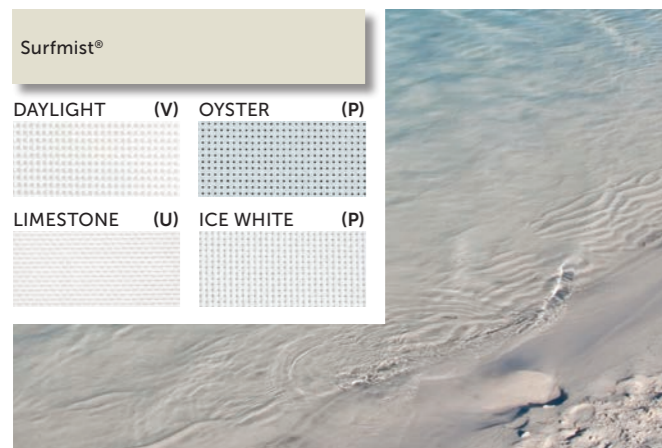

**CLEANER AIR**  
The low-chemical emissions ensure the air you breathe is cleaner

**RIGOROUSLY TESTED**  
Meet or exceeds all required emissions standard

\* Warranty conditions apply.

# Inspired by Colorbond®

The VISIONTEX® range has been designed and is inspired by the COLORBOND® colour range.

When selecting your outdoor fabric solution, consider the colours on your exterior such as the roof, guttering, bricks and other finishes.

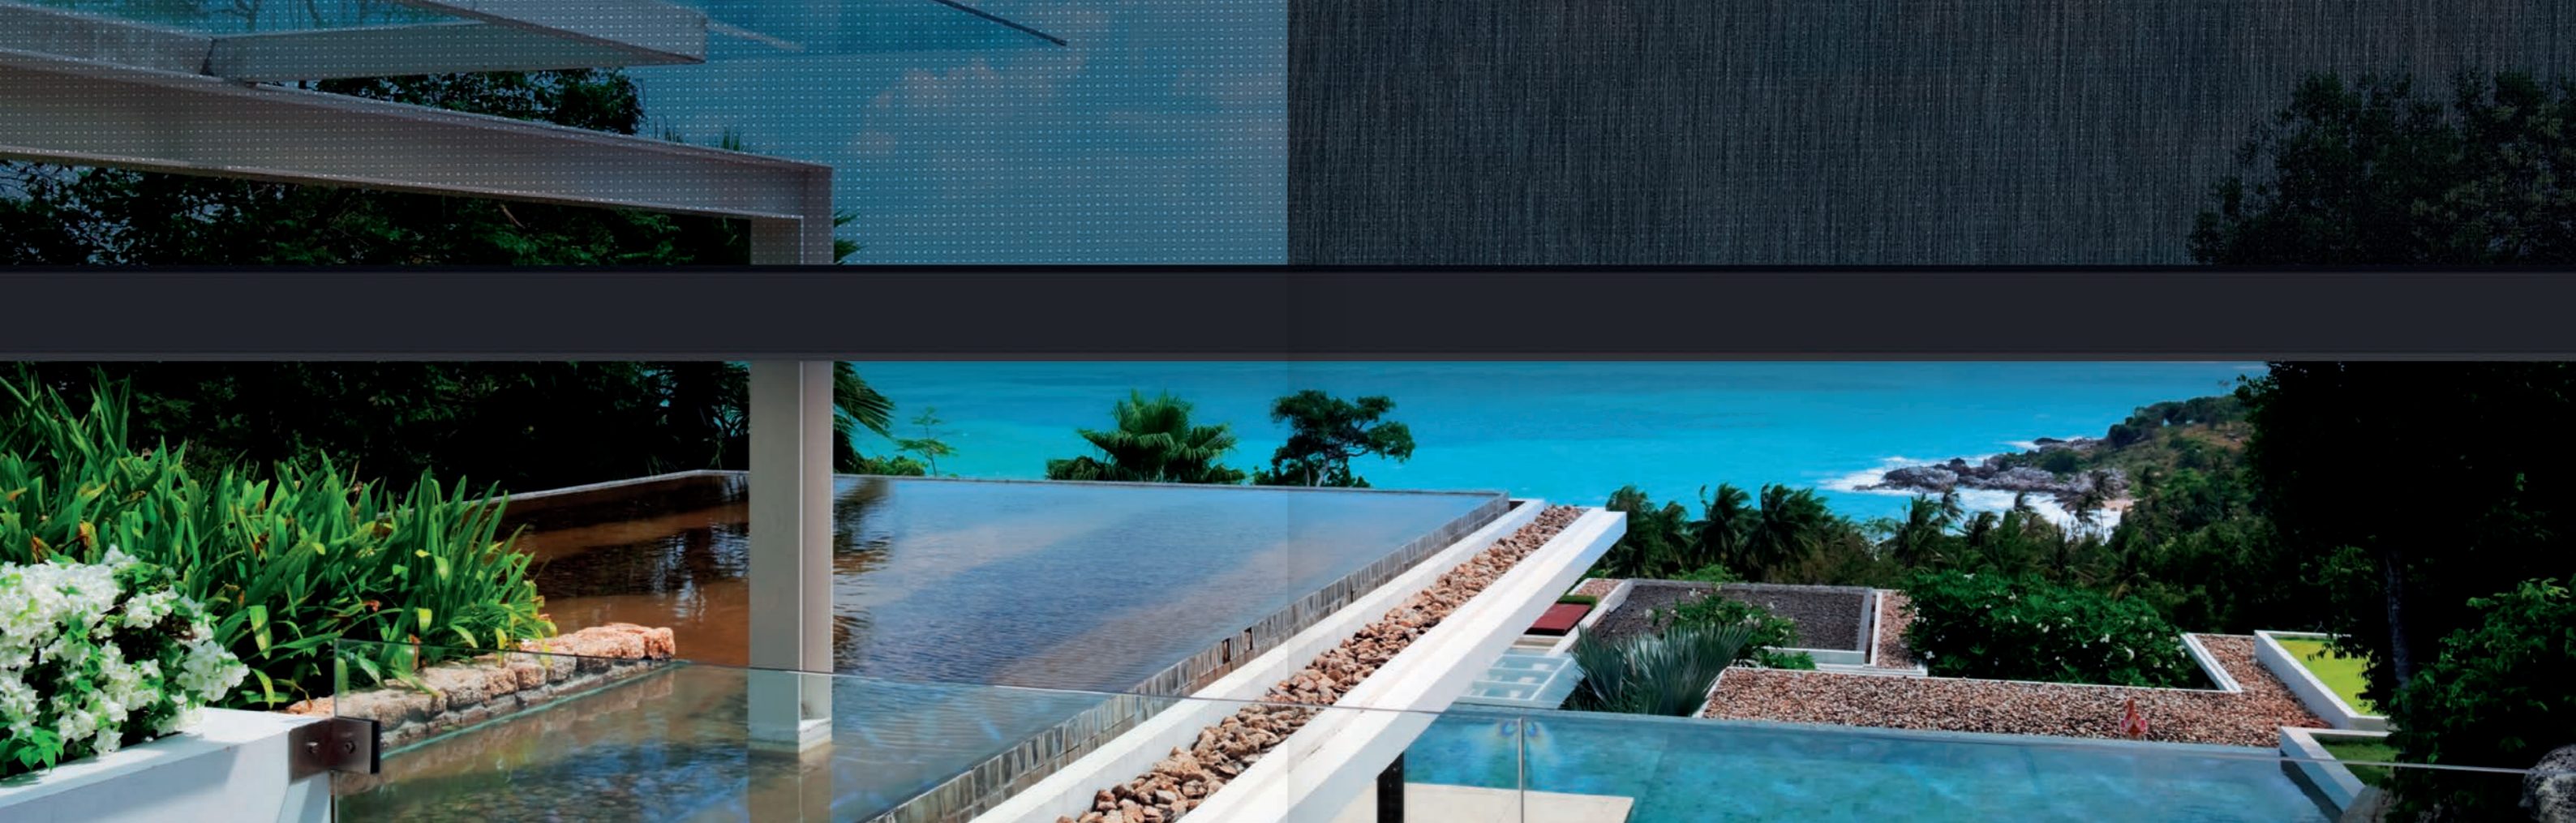

A range designed to complement and inspire your outdoor living style. VISIONTEX® colour range can provide endless possibilities.
